RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Dear Sir:

In response to the Notification of Defective Response, mailed on September 20, 2007, in connection with the above-identified application, Applicant encloses a copy of the Notification of the Recording of a Change (Form PCT/IB/306) which shows that the seventh inventor, Paul Zizelman, was added to the international application. It appears a copy of this Notification was never transmitted to the U.S. Receiving Office by the International Bureau.

Further, we respectfully ask that the Examiner disregard the page numbering on the Declaration document, as some inventors signed the Declaration in separate locations. Therefore, when the Declaration was assembled with all the inventors' signatures, there appeared to be multiple pages 2 of 2 and 3 of 3.

No fees are believed due for this Response. However, if a fee is deemed due, please charge any fees due to deposit account no. 17-0055.

Respectfully submitted,

Dated: October 15, 2007
